Dear Sir,

Greetings from National Skills Foundation of India (NSFI)!!

This is in continuation to our letter addressed to you dated 15 June and numbered NSFI/GAC2016/COO02 requesting logo support from ICAR for the upcoming Global Agri Connect 2016 scheduled on 14 October 2016.

While we are in touch with Dr. Kimothi and are discussing the way forward on the logo support, we also would like to urge you for advising various Research Centres, Project Coordinator and State Agriculture Universities to participate in the conference and make use of the platform to show case their technologies and innovations and the deliberations of the conference.

Look forward to your continued support.

Yours Sincerely,

Sai Krishna
